WHAT IS JUNIOR COUNCIL?

Junior Council (JC) is a young professional organization devoted to raising funds and awareness for the Special Infectious Disease Clinic at Ann & Robert H. Lurie Children's Hospital of Chicago. As an organization, we host several events and philanthropic outings to give members of the community a chance to build relationships, acquire professional skills, and further their connection to our cause. These year-long efforts culminate every February with a black-tie gala known as Snowball. At Snowball, hundreds of Chicagoans come together as one to dance, network, and support our miracle-making movement.

JUNIOR COUNCIL'S STEADFAST MISSION

Junior Council strives to provide financial support to the Pediatric and Adolescent HIV/AIDS Program at Ann & Robert H. Lurie Children's Hospital to ensure that patients have access to high-quality health care, regardless of their financial circumstances.

JUNIOR COUNCIL'S BENEFICIARIES

The Pediatric and Adolescent HIV/AIDS Program at Ann & Robert H. Lurie Children's Hospital of Chicago serves more patients than any other pediatric HIV service in the region. The program, which is funded mostly by grants and donations, provides multidisciplinary care to a steady influx of HIV-exposed infants, adolescents, and young adults. They also have a robust research agenda that has contributed to great advances in the field.

WHERE THE MONEY GOES

The Pediatric and Adolescent HIV/AIDS Program at Ann & Robert H. Lurie Children's Hospital of Chicago is funded almost completely by grants and donations. Junior Council's annual donation helps cover necessities, like:

- Laboratory tests and medications for uninsured patients
- Support program staff, including a child life specialist and social worker
- Emergency funding

95% *of the patients at the Pediatric & Adolescent HIV/AID Program come from low income families.*

$40,000 – The Junior Council Scholarship Fund, which helps support past and present patients in their education.

$20,000+ – The purchase of vehicles (lasting 20 years) to help transport patients to necessary check-ups.

$10,058 – 30 days of HIV medication for a single patient during financial hardship.

$2,347 – One week of standard HIV medication for a single patient.

$500 – Genotype testing (used to determine which medications will be successful for a newly diagnosed patient).

IN-KIND DONATIONS

Donating to the silent auction is another way to promote your business while supporting Junior Council. The auction is consistently an event highlight as it features a wide range of fan-favorite, local and international brands. Past contributors have included companies, like Dyson, Fairmont Hotels, and United Airlines... to name a few.

RECOGNITION & BENEFITS

All silent auction donations are recognized with the donor's name and graphics on table-top displays at the event and our mobile bidding platform. Additionally, contributors gain visibility among our digital audience, as we promote the auction catalog heavily on social media and to our email list.

INTERESTED?

Reach out to Erin Bylina at silentauction@juniorcouncil.org and/or Marisa Stefani & Jessica Linley at corporate@juniorcouncil.org to express interest in contributing an in-kind donation.

SNOWBALL FOOD & BEVERAGE PARTNERSHIP

HOSPITALITY DONATIONS

Our tasting stations are one of the main attractions at Snowball. Attendees love to try new and old favorites, making this a great place to showcase your food and/or beverage offerings.

Restaurant partners are requested to provide small-bite samples and two staff members to oversee and pass out food at the station for a duration of two hours.

Beverage partners may sponsor liquor, beer, wine, and non-alcohol based drinks. We'll be absolutely thrilled if you'd like to send a mixologist for a more intimate attendee interaction in one of the VIP sections!

RECOGNITION & BENEFITS

Our partners benefit from marketing exposure at Snowball and across our digital platforms. Snowball guests, patrons, and Junior Council members typically frequent the businesses supporting Junior Council, so partners can use this to advance day-to-day business, marketing, and/or public relation efforts as well.
